

# Specifications

## Eaton D99625ACZ2

Eaton D99 Series Solid-State Relay, 3-32 Vdc input voltage, 48-600V output voltage, Zero cross switching type, 25A rated operational current, Green LED, SPST-NO contact configuration, IP20 enclosure

### General specifications

|                      |                                                                                                                                                                                  |
