

# Johanson Part Number 2450FB15K0007001E

|                                                |                                           |
|------------------------------------------------|-------------------------------------------|
| Johanson Part Number: 2450FB15K0007001E        | Johanson Company: JTI                     |
| Legacy P/N: 2450FB15K0007E                     | Size for Capacitors (EIA): None           |
| Description: RF Balun Filters, , MHz, W, , , , | Specification Number: None                |
| Life Cycle Stage: EOL                          | NCNR: No                                  |
| AEC Q200 Qualified: No                         | Thickness (Max): None                     |
| Schedule B: None                               | Thickness (Min): None                     |
| ITAR: No                                       | End Band(Min): None                       |
| ECCN: None                                     | End Band (max): None                      |
| RoHS Compliance: None                          | Standard Item: No                         |
| REACH: No                                      | Lead Time Typical (Weeks)*: None          |
| Country of Origin: TW                          | Length (Min): None                        |
| Product Family: Integrated Passive Components  | Length (Max): None                        |
| Product Subfamily: RF Balun Filters            | Width (Min):None                          |
| Capacitance Value: None                        | Width (Max): None                         |
| Cap Unit of Meas: None                         | Part Weight (mg): None                    |
| Tolerance: None                                | Packaged Width (lb) Arm: None             |
| Voltage: None                                  | Packaging: None                           |
| Dielectric Temp Coefficient: None              | Packaging Qty: None                       |
| Termination: None                              | Operating Temp Range: None                |
| Marking: None                                  | Storage Temp Range (Packaged): None       |
| Product Release Date:                          | Storage Temp Range (None Operating): None |
| Harmonization: None                            |                                           |

\*This can vary significantly so it is important to obtain a quotation with lead time for production planning purposes.
