

Product recall 206-706 & 206-707

As a highly precautionary measure, we have decided to withdraw the 206-706 and 206-707 2-pole voltage testers from delivery years 2019, 2020 and 2021 from the market as part of a voluntary recall.

If you are in possession of one of the above-mentioned voltage testers, please stop using it immediately and contact your responsible contact person in internal sales or alternatively our complaints management. You can reach the complaints management team at:

RMA-Service@wago.com

or by phone: +49 (0)571 / 887-77 666

Further details can be found under Downlaoads

Technical data		
Main product function	Test and measurement devices	

Material data
