

## Exhaust Filters *PFA Series*

**Note:** This product line has been discontinued as a stocked series. Information is for reference only. It has been replaced with **PFA G4 Series**. For alternative solution assistance, **contact Hammond here** or call: USA (716) 630-7030, Canada and International (519) 822-2960.

- Built to IP54 standards (except PFA1000 - IP43 standards).
- ABS-FR grills (except PF1000 Series which is polystyrene FR).
- Grills are black to complement all cabinet colors.
- Grills also available (see below)
- Integral gasket seals against enclosure.

| Part No. | Filter Density<br>(g/m2) | Filtering<br>Level | Comparable<br>IP Standard |
|----------|--------------------------|--------------------|---------------------------|
| PFA1000  | 150                      | 0.73               | IP43                      |
| PFA2000  | 150                      | 0.73               | IP54                      |
| PFA3000  | 150                      | 0.73               | IP54                      |
| PFA5000  | 150                      | 0.73               | IP54                      |
