MODEL NUMBER: U012-006

Highlights

- Adjustable "A" connector allows for multiple exit configurations
- Premium double-shielded USB 2.0 cable with tinned copper braid and aluminum mylar foil feature twisted data lines
- Gold plated contacts provide superior conductivity for low and high speed devices

System Requirements

- USB port and device

Package Includes

- 6-ft. USB A/B Cable w/Adjustable Angle A Connector

Description

Tripp Lite's 6-ft. Adjustable "A" connector USB A/B device cable is designed to connect a USB device to the USB port on a computer or USB hub. Adjustable angle connector allows the cable to exit at any angle...perfect where space is limited. This high quality cable delivers the performance and reliability you expect from a USB cable. The cable features gold plated contacts for superior conductivity. It is manufactured with molded connectors which include integral strain relief to ensure durability. Double shielding provides maximum EMI/RFI protection.

Features

- Two elbow joints allow for Up-Down-Left-Right exit configurations where space constraints are an issue
- Premium double-shielded USB 2.0 cable with tinned copper braid and aluminum Mylar foil feature twisted data lines
- Gold plated copper contacts provide superior conductivity
- Molded connectors which include integral strain relief to ensure durability
