

The Control Panel (CP) with Target Visu (TV) features full CODESYS runtime.  
With the WAGO-I/O-PRO development environment (based on CODESYS 2), applications and visualizations can be created and completely programmed. Existing CODESYS projects can be almost entirely converted and upgraded.

| Material data |       |
|---------------|-------|
| Weight        | 165 g |

| Commercial data           |               |
|---------------------------|---------------|
| PU (SPU)                  | 1 pcs         |
